1. Title: **Phrasal Verbs – Memory Game** by Nathália Fernandes Negrão (TEAM member). Sep 4, 2018.

2. Players:

- Number: 2-4
- Ages: 12+
- Level: Lower Intermediate

3. Time: About 20 min

4. Goal: This memory game aims to help students to make sentences using phrasal verbs.

5. About the game: The players' objective is to match phrasal verbs with the appropriate pictures and make sentences using such verbs.

- Rules:

Take a look at the cards before starting the game.

Mix up the cards.

Lay the cards in rows, face down.

The players take turns to choose any two cards to turn over.

If the cards match (the phrasal verb with the appropriate image), the player must make a sentence using such phrasal verb in order to keep the cards. They can use any verb tense or aspect they want.

If the cards do not match or the player cannot make a sentence, turn them back over;

All the players have to be attentive to remember the position of the cards before turning them back over again.

The game is over when all the cards have been matched.

The player with most matches wins.
